Santa Barbara Designs has long been the discerning choice of designers for clients requiring only the best umbrellas. From rock maple to teak, mahogany and even aluminum, Santa Barbara Designs finishes are impeccable, and the fittings are the ultimate in quality. With long lasting custom covers in acrylic fabrics and sizes up to sixteen feet in diameter, it's easy to understand why these umbrellas have been the choice of kings and presidents for almost forty years.

Lawrence Lake hits a home run once again with his **METROLUXE** aluminum group manufactured by Inside Out Furniture. A complete product line including sofas, love seats, sectional pieces, chaise lounges and even bar stools, with a complimentary collection of dining and occasional tables to round out METROLUXE's versatility. Choose from almost twenty powder coated finishes with myriad fabric selections for the perfect contemporary setting.

Timeless Design & Old World Craftsmanship

A leading U.S. manufacturer of fine furniture for nearly 40 years, **Fremarc Designs** provides an extensive line of quality handcrafted seating, occasional tables, dining, and bedroom.

From the modern classic **Veranda Collection**, we are introducing the **Veranda Draw Top Dining Table** with two 18" self storing extensions shown in our new beautifully hand rubbed "Bordeaux" finish. Also featuring the exquisitely styled **Equis Arm** and **Side chairs**. Available in a variety of 32 standard, premium or custom finishes. All pieces are made to order, with the ability to customize, allowing the opportunity to create unique pieces to satisfy your design needs.
